

# NORTH PRAIRIE REGIONAL WATER DISTRICT BULK WATER FILLING STATION

HIGHWAY 83 SOUTH OF MINOT 7 MILES FROM 37TH AVE SW

## Credit Card Payment Steps: Follow Screen Prompts

**\*\* Will need a 2" male camlock for side fill and 3" male camlock for overhead fill.\*\***

**Cost: \$10.06/1000 gallons. Equates to \$0.01006/gallon**

1. Use Key Pad to Select Hose, press enter button.
2. Press **START** To use Credit Card.
3. Swipe, Tap or Insert Credit Card.

**\*\* Screen reads Press FP for DEBIT-DON'T RECOMMEND.** If a DEBIT card is used versus a CREDIT card the customer will be charged the full amount after they reach the threshold which is \$2.00, so whatever gallons you type in you will be charged for even if you did not fill that amount of gallons. Credit will preauthorize for full amount, and charge for what was used.

4. Enter desired volume (in US gallons), press enter button.
5. Will show requested volume in US gallons. **\*VERIFY HOSE IS CONNECTED\***

Press **START** to continue.

Press **STOP** to EXIT.

6. Next window will show Volume Remaining and Volume Transferred.

A. If Volume remaining and transferred are not moving and says Transfer Timeout In: (20 seconds) it means it's not working. Press **STOP** to exit

B. Press **FP** to Pause (water flow).

C. Press **ENTER** for Receipt.

D. Press **STOP** to exit
